A full gluten-free afternoon tea is available on request; please inform a member of the team if you suffer from any food allergy so that the appropriate information can be provided to you for each dish. We make every effort to ensure that products containing gluten are not used in the production of those items we identify as 'not containing gluten'. However, we cannot guarantee that these menu items are gluten free because we prepare them in an environment where products containing gluten exist.

Please note a discretionary service charge of 10% will be added to your bill. 100% of all gratuities are passed directly to the team members, which are supplementary to their salaries.
